Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Web Of The Golden Spider

The Web of the Golden Spider is a tale of mystery, intrigue and adventure that begins in the city, progresses to a mutinous open sea voyage, eventually leading to the remotest areas on the slopes of the Andes of South America. Wilson, our hero, finds himself in the midst of a battle between a deposed queen and revolutionists who have banded together in an effort to bring their country together as a republic. Wilson, although torn between helping mercenaries, freedom fighters and revolutionaries, is more concerned with the rescuing of the girl he has fallen in love with, but who has been snatched from him by a mysterious priest. That, and the finding of the famed treasure of El Dorado rumored to have been buried beneath Lake Guadiva.
